DEFINITIONS

Application

1. The Tariff Notices set out herein apply to the Port, all Authority property and to any other service or matter set forth herein.
2. The following definitions apply to every Tariff Notice set out in this Schedule:
 - “Act” means the *Canada Marine Act*, S.C. 1998, c. 10;
 - "Authority" means the Saint John Port Authority;
 - “Authority property” means the real property and immovables that the Authority manages, holds or occupies as set out in its Letters Patent, including any wharf, pier, breakwater, terminal, warehouse, or other installation, building or work (exclusive of bridges), and also includes any property under lease from the Authority;
 - “cargo container” means a container or chassis that is rigid, reusable, capable of being mounted or dismounted and handled by standard container lifting equipment and that is used by ocean carriers for transportation of goods on board ships and includes any container that is insulated, refrigerated or dry cargo, or described as flat rack, vehicle rack, liquid tank or open top;
 - “cubic metre” means a measurement equivalent to 1 metre in height x 1 metre in depth x 1 metre in length, or any equivalent to those terms as the case may be;
 - “draught” of any ship means the maximum summer draught amidships;
 - “owner” includes, in the case of a ship, the agent, charterer by demise or master of the ship and, in the case of goods, the agent, sender, consignee or bailee of the goods, as well as the carrier of such goods to, upon, over or from Authority property;
 - “goods” means all personal property and movables, other than ships;
 - “gross tonnage” means the gross tonnage of a vessel calculated on a basis that corresponds with or is equivalent to the method of calculating the tonnage of a vessel set out in the Canada Shipping Act, S.C. 2001, c. 26, as amended; or in accordance with the Regulations set out in Annex I to the International

Convention on Tonnage Measurement of Ships, 1969; as amended;

- “N.E.S” means not elsewhere specified;
- “Port” means the navigable waters under the jurisdiction of the Authority and includes Authority property;
- “ship” means every description of ship, boat or craft designed, used or capable of being used solely or partly for marine navigation, whether self propelled or not and without regard to the method of propulsion;
- “tonne” means a measurement of weight equivalent to 1000 kilograms; and
- “tonnage measurement certificate” means a certificate issued by a measurement authority acceptable to the Authority, which sets out the tonnage of a vessel.

Any term that is not defined herein that is otherwise defined in the Act, shall be given the meaning ascribed to it in the Act.

SAINT JOHN PORT AUTHORITY BERTHAGE TARIFF NOTICE

Notice – N1

Effective: January 1, 2024

Interpretation

1. “Berthage” means a charge on a ship:
 - (a) while occupying a berth, or while moored alongside any other ship occupying a berth within the Port; or
 - (b) that is not occupying a berth, but is within the Port and loading or unloading goods from or to another ship that is transhipping those goods within the Port;

Rates

2.
 - (a) A fee is fixed at the rates set out in the Berthage Tariff that forms part of this Notice – N1, to be paid in respect of Berthage.
 - (b) The fee referred to in subsection 2(a) is due from the owner as soon as it is incurred and shall be paid to the Authority at its office.
 - (c) The fee referred to in subsection 2(a) is payable within 30 days from the date due and where the fee is not paid within that time, an additional fee of 1.5% of the outstanding fee payable shall be paid for each subsequent 30 day period or portion thereof that the fee remains unpaid.
 - (d) For the purpose of assessing Berthage:
 - (i) a ship shall be regarded as occupying a berth from the time the first line is made fast until the last line is cast off;
 - (ii) a ship shall be regarded as being alongside another ship that is occupying a berth from the time the first mooring line is made fast until the last mooring line is cast off;
 - (iii) a ship that is not occupying a berth, but is within the Port and loading or

unloading goods from or to another ship that is transshipping those goods within the Port shall be regarded as occupying a berth from the time that the first line of the other ship is made fast until the last line of the other ship is cast off at the time that the transshipping of goods is complete; and

- (iii) a ship that occupies two or more berths in succession shall be regarded as occupying each such berth from the time the first line is made fast to the first berth until the last line is cast off the last berth.
- (f) The fee set out in subsection 2(a) is in addition to any other fees prescribed in any other Notice or that may be otherwise owing to the Authority.

Exemptions

- 3. The fee set out in subsection 2(a) is not payable in respect of:
 - (a) a ship that is of a non-commercial type or design and belongs to a foreign government;
 - (b) a ship that is a pleasure craft not engaged in commerce;
 - (c) a ship that is within the Port solely for the purpose of the safety of navigation, if that ship departs from the Port within a period of twelve consecutive hours from the time it enters the Port, and it does not engage in any commercial activity therein;
 - (d) a tug that is assisting a ship to dock or to leave a berth; or
 - (e) a ship that is transshipping goods within the Port from or to another ship that is not occupying a berth.

SAINT JOHN PORT AUTHORITY WHARFAGE TARIFF NOTICE

Notice – N2

Effective: January 1, 2024

Rates

- 1.**
 - (a) A fee is fixed at the rates prescribed in the Wharfage Tariff that forms part of this Notice – N2, to be paid in respect of:
 - (i) all goods loaded on a ship within the Port;
 - (ii) all goods unloaded from a ship within the Port; and
 - (iii) all goods transhipped by water within the Port or moved across the Port.
 - (b) With respect to subsections 1(a)(i) and (ii), if the navigable waters of the Port is the only asset of the Authority used in connection with such operation, the applicable rate set out in the Wharfage Tariff is reduced by 85%.

Calculation of Fees

- 2.**
 - (a) The Authority reserves the right to classify any goods and the Authority's decision in this regard shall be final and binding.
 - (b) The fees set out in this Notice shall be calculated on the basis of weight in tonnes or measurement in cubic metres, whichever yields the higher fee.
 - (c) Where goods are transhipped within the Port or moved across the Port or loaded/unloaded from a ship within the Port and those same goods are subsequently unloaded/loaded from a ship within the Port or transhipped within the Port, the Authority shall charge only one of the fees prescribed by subsection 1(a), which will, in the discretion of the Authority, be the fee that results in the highest revenue for the Authority.

- (d) Subsection 2(c) does not apply to goods that have been altered in form or composition or have been removed from the Port.

Payment of Fees

3.

- (a) The fees prescribed by subsection 1(a) are due from the owner of the ship immediately upon completion of the loading of goods on a ship, the unloading of goods from a ship, or the transshipment of goods within the Port, as applicable, and shall be paid by the owner to the Authority at its office.
- (b) Any fee that is owed pursuant to this Notice with respect to goods shall be paid within thirty (30) days from the date such fee becomes due, and if such fee is not paid within thirty (30) days from the date it becomes due, there shall be paid for each subsequent thirty (30) day period, or any portion thereof, an amount equivalent to 1.5% of the fee owed.
- (c) If any fee is owed pursuant to this Notice with respect to goods and the Authority has grounds for believing that any such fee is in jeopardy of not being paid, the Authority may detain those goods and not allow them to be removed from the Port until the fee owed has been paid or security for payment has been accepted by the Authority. If the Authority has made such an order and any such goods are subsequently removed without prior Authority authorization, an additional fee equal to 25% of the fee owed shall be assessed and added to the fee owed.
- (d) The fees set out in subsection 1(a) are in addition to any other fees prescribed in any other Notice or that may be otherwise owing to the Authority.

Notice – N7

Effective: January 1, 2024

Interpretation

“Free Time” means the first consecutive 14 days that goods are stored on or in Authority property.

Terminal Operators

1. For the purpose of subsection 2(d) of this Notice, the Authority may from time to time, in its discretion, designate any person to be a “terminal operator”, and the delivery of any invoice issued pursuant to this Notice to such person shall be conclusive evidence of their designation as such.

Rates

2. (a) A fee is fixed at the Throughput Rates set out in the Throughput and Storage Tariff that forms part of this Notice with respect to the movement of goods across or through Authority property, which have been unloaded from a ship or are to be loaded on a ship within the Port.
(b) A fee is fixed at the Storage Rates set out in the Throughput and Storage Tariff that forms part of this Notice with respect to the storage of goods on or in Authority property.
(c) The fees set out in this Notice shall be calculated on the basis of weight in tonnes or measurement in cubic metres, whichever yields the higher fee.
(d) The fees set out in subsections 2(a) and 2(b) are due from the terminal operator who moved or stored goods, as applicable:
 - (i) immediately upon the movement of goods across or through Authority property; or
 - (ii) immediately prior to the removal of goods stored on or in Authority property;

And such fees shall be paid by such terminal operator to the Authority at its office prior to the removal of the subject goods from Authority property.

- (e) Where either of the fees prescribed by this Notice are not paid within the time referred to in subsection 2(d), an additional charge of 1.5% of the applicable fee payable shall be paid for each subsequent 30 day period or part thereof that the applicable fee remains unpaid.
- (f) The fees prescribed by the Notice are in addition to any other fee prescribed in any other Notice, or to any other amount that may be otherwise owing to the Authority.

Exemption

3. The fee set out in subsection 2(b) of this Notice is not payable until after the expiration of Free Time, provided, however, that Free Time may be limited or extended in the discretion of the Authority from time to time, and on a case by case basis.

SAINT JOHN PORT AUTHORITY DREDGING SERVICES TARIFF NOTICE

Notice – N8

Effective: June 1, 2024

Interpretation

“Dredging services fee” means the fee fixed by the Authority to be paid in respect of a ship that transits or uses the dredged areas of the Port for the purposes of gaining access to or leaving facilities located in Zone 1 or Zone 2 as shown on Schedule “B” to this Notice, at the applicable rate set out in the Dredging Services Tariff that forms part of this Notice.

Calculation of Fee

1. (a) Subject to section 3, the Dredging services fee is payable with respect to each ship that transits any portion of Zone 1 or Zone 2.
- (b) The Dredging services fee payable shall be calculated based on the gross tonnage of the ship subject to the fee.
- (c) The Dredging services fee is due from the owner of a ship subject to the fee as soon as it is incurred and shall be paid to the Authority at its offices.
- (d) For the purposes of determining the time at which a Dredging services fee is incurred, the following rules shall apply:
 - (i) a Dredging services fee is incurred in respect of a ship bound for a berth in Zone 1 at the time the first line is made fast at the said berth;
 - (ii) a Dredging services fee is incurred in respect of a ship bound for a berth in Zone 2 at the time the first line is made fast at the said berth; and
 - (iii) a ship that, during a single call to the Port, berths in both Zone 1 and Zone 2 shall incur a Dredging services fee only with respect to its berthing in Zone 1.
- (e) The Dredging services fee is payable within 30 days from the due date, and

where the fee is not paid in that time, an additional charge of 1.5% of the fee payable shall be paid for each subsequent 30 day period or portion thereof that the fee remains unpaid.

- (f) The Dredging services fee is in addition to any other fee prescribed in any other Notice, or to any other amount that may be otherwise owing to the Authority.

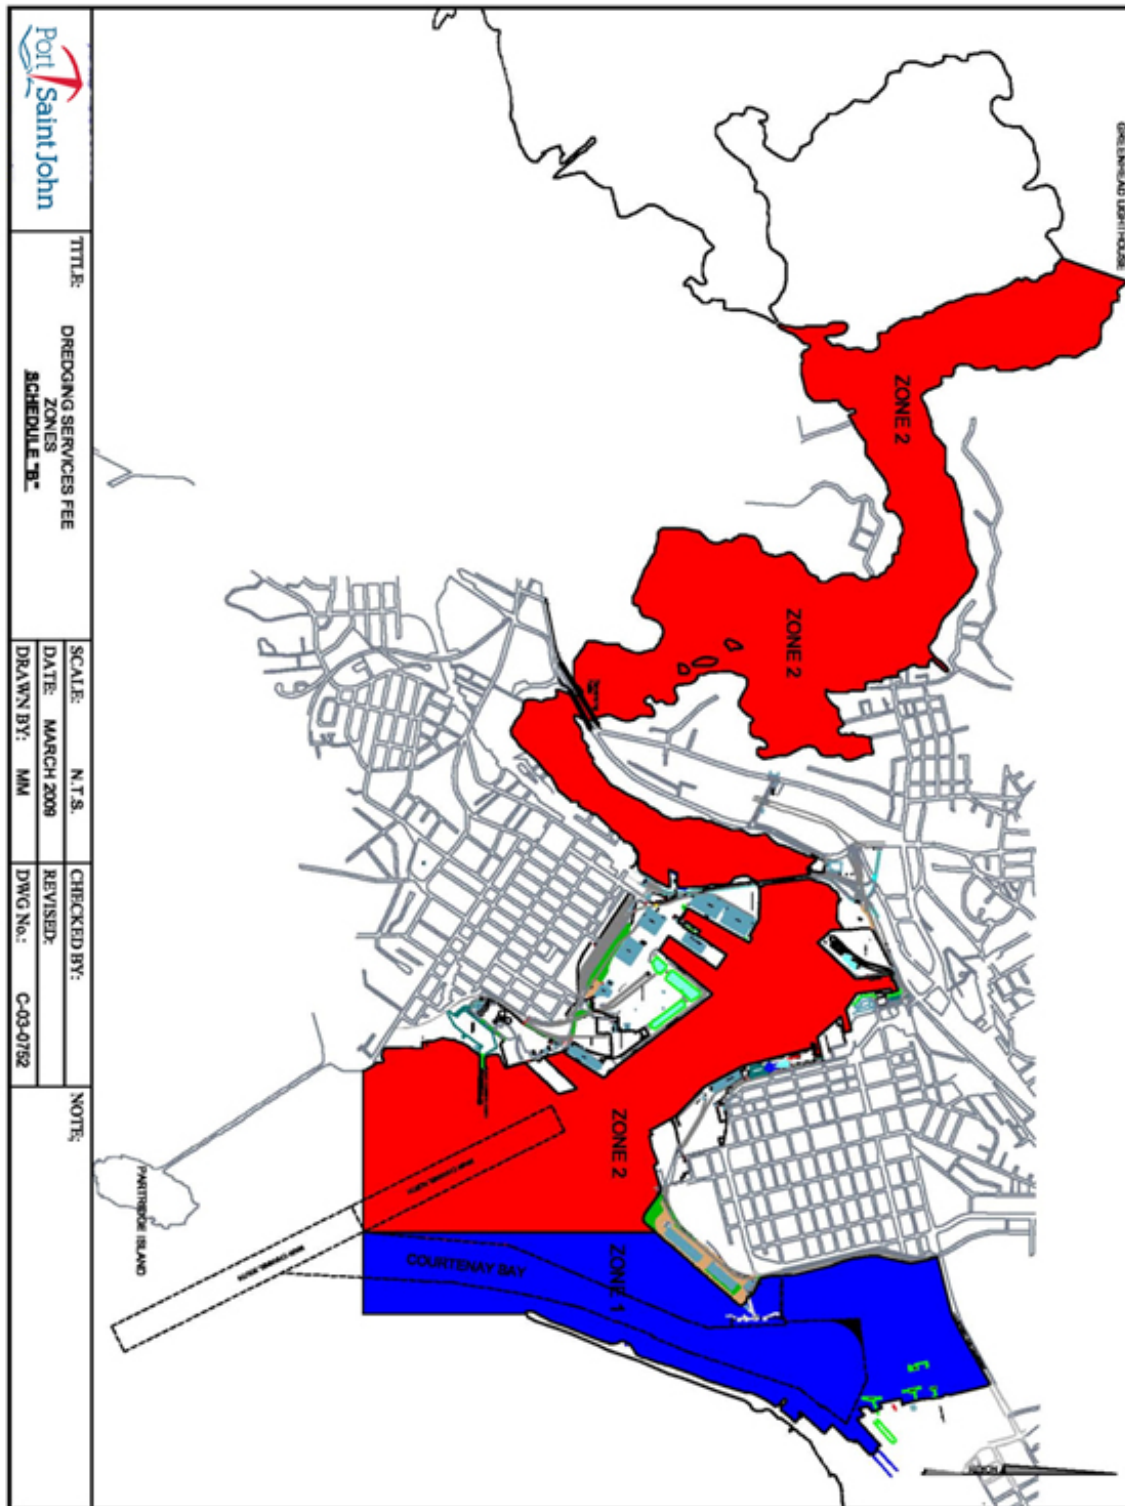

Exemptions

- 2. Notwithstanding subsection 1(a) of this Notice, no Dredging services fee shall be payable in respect of a ship:
 - (a) that is of a non-commercial type or design and belongs to a foreign government;
 - (b) that is a pleasure craft that is not engaged in commerce;
 - (c) that comes into the Port in distress under its own power or under tow;
 - (d) that comes into the Port, departs from it within a period of 12 consecutive hours from the time it came into the Port and does not engage in any commercial activity therein; or
